17th March 2009

Amsphere Acquire Nexus Managed Solutions Limited

Amsphere Limited (Amsphere) the Delivery Assurance and Software Testing Company today announced the recent purchase of Nexus Managed Solutions Limited (Nexus) a worldwide quality assurance and risk mitigation consultancy. The acquisition is part of the ongoing strategy to provide Amsphere's delivery assurance and software testing services to a wider audience, including the further enhancement of Amsphere's public sector solutions.

Amsphere CEO, Ricky Shankar said. "We are delighted to have had the opportunity to acquire Nexus. This is the next step in our plans to become the Delivery Assurance and Software Testing Company of choice across our chosen vertical markets."

Chan Dabare Nexus CEO will be staying with Amsphere to become the Managing Director based in Amsphere's central London offices.

Chan Dabare said: "I am delighted that Amsphere have acquired Nexus. We believe that becoming part of the Amsphere Group offers numerous opportunities for our current clients, allowing us to broaden the range of services we are able to provide. Amsphere have a set of unique services which will be of real benefit to our current clients."

Chan has over 15 years experience in the commercial technology market place, providing management consultancy and project management, specialising in testing and quality assurance. He holds a BSc in Business Computing, a Master's degree in Knowledge Engineering, a diploma in marketing and an MBA.
