Amsphere Appoint New Director of Retail

Amsphere Limited (Amsphere), the IT Delivery Assurance and Software Testing Company, are pleased to announce the appointment of Chris Lockwood as their new Director of Retail.

Amsphere CEO, Ricky Shankar said. "I am delighted to appoint Chris as Amsphere's Director of Retail. Our growth in the retail sector has been tremendous over the years and Chris's appointment represents our continuing commitment to this sector. Chris brings a wealth of experience in delivering Retail IT solutions and in his new role will oversee the continuing development and delivery of strategic services and solutions for our Retail Customers."

Chris's experience has been gained in IT and Business Change at Marks & Spencer, Vodafone, Mothercare, Wilkinson's and AT Kearney, managing the implementation of Retail Systems across multiple business streams, including the introduction and management of Offshore Development, Testing and Support.

Chris has also managed teams and strategic projects in the areas of Transition & Deployment including Change Management, Environment Management, Service Readiness, Central Testing, and Data Centre Management.

Chris Lockwood said. "I am delighted to have been appointed as Director of Retail and look forward to contributing to Amsphere's continued development. I believe Amsphere's services and approach make a real difference in this space, even more so in this current climate when getting things right first time is critical. I am very much looking forward to driving the success of the Retail division, developing and expanding Amsphere's solutions and working closely with our current and prospective clients."
